This Store is a Double Team

REGULAR goods-advance styles or exclusive ones. That's the one horse. Exceptional goods as to value-or bargains. That's the other horse. Some days we drive one horse; then the other. As a rule, we cipal study is his fellow man; in drive them double, and they pull together in a way that makes this merchandise team the sight and delight of New York.

As a rule, dollars buy more than dollars' worth at this season. We do not juggle with figures or prices. But excessive stocks (ours and those of other folks) and broken stocks where they crop up in the store, are sold at a loss from the expectation price. It turns ventures back into cash; with a shrinkage, of course, but back into usable form.

The iron maker melts his mistakes—loses the scum and maybe more. But be makes by it. So does the store. Don't pity us for our losses—we expect such. The store is the better first rich issue (see the scum and you who buy are richer for buying.

As to the new things-it's pleasant to get first pick, isn't it?

New Cotton Fabrics for Spring

Men's Clothing at New Prices
